

VINCE GILL, Down To New Orleans

(Vince Gill, Pete Wasner)

Hey Creole Darlin'
Talk that French to me
You know your love is somethin'
Like I ain't never seen
I'm goin' down, down, down, down to New Orleans

Your eyes shine like diamonds
And those kisses sure make me scream
There ain't nothin' like love on the bayou
Honey I know you know what I mean
I'm goin' down, down, down, down to New Orleans
I'm goin' down, down, down, down to New Orleans

[Chorus:]
They got the gumbo and the Creole
They got the Quarter all night long
I got my Delta Queen that makes my heart sing
Man I ain't never goin' home
I'm goin' down, down, down, down to New Orleans
