

VINCE GILL, Faint Of Heart

Love ain't for the faint of heart
The timid and the weak
Pour me one more on the rocks
And baby we'll just see

We'll start a fire
Pour the wine
Slip on in to these arms of mine

[Chorus:]
Love ain't for the faint of heart
Love's for you and me

What a rush when you kiss me that way
Your touch is gonna drive me crazy
Ooh, what a night this has been
Baby let's do it again

[Chorus]

What a rush when you kiss me that way
Your touch is gonna drive me crazy
Ooh, what a night this has been
Baby let's do it again

[Chorus]
