

VINCE GILL, High Lonesome Sound

(Vince Gill)

Whenever my soul is lonely
Whenever I'm feeling blue
I start thinkin' 'bout my blue eyed darlin'
And my heart starts pinin' for you

[Chorus:]

I wanna hear that high lonesome sound
Cause my sweet baby ain't around
When my life's got me down
I wanna hear that high lonesome sound

When I'm lost in this ocean of darkness
Not knowing which way I should turn
And my eyes are filled with sadness
Of knowing you'll never return
