

# VINCE GILL, I Can't Tell You Why

(Don Henley, Glen Frey, Timothy B. Schmit)

Look at us baby  
Up all night  
Tearin' our love apart  
Aren't we the same two people  
Who lived through years in the dark

Every time I try to walk away  
Somethin' makes me turn and stay

I can't tell you why

When we get crazy  
It just ain't right  
(Try to keep your head on, girl)  
'Cause girl I get lonely too  
You don't have to worry  
Just hold on tight  
(Don't get caught in your little world)  
'Cause I love you

Nothin's wrong as far as I can see  
We make it harder than it has to be

I can't tell you why  
No, baby, I can't tell you why  
I can't tell you why

Every time I try to walk away  
Somethin' makes me turn around and stay

I can't tell you why  
No, baby, I can't tell you why  
I can't tell you why  
I can't tell you why... yeah

No, baby  
Ooooh, I can't tell you why
