

VINCE GILL, I Quit

(Vince Gill, Max D. Barnes)

When you said you were leavin'
I said here we go again
I ain't even breakin' even
In this game I just can't win

The cards are stacked against me
Your aces beat my twos
Seems like bad luck travels with me
Like I was born to lose

[Chorus:]

I quit
I've had enough of fallin' in and out of love
I'm done, I'm through, that's it
If I can't have you... I quit

You were my only sunshine
In a world of pouring of pouring rain
So this will be my last time
I can't go through this again

[Chorus]

I'm done, I'm through, that's it If I can't have you... I quit
