

VINCE GILL, If There's Anything I Can Do

(Vince Gill, John Barlow Jarvis)

Baby I'm so sorry your world came crashing in
It's times like these you need a friend
You don't have to worry it's out of our hands
I believe that we're part of a much bigger plan

[Chorus:]

If there's anything I can do
Just call and I'll come runnin'
I will always be here for you
If there's anything I can do

Your eyes are filled with sorrow
Your heart is filled with pain
Just let the tears fall down like rain
I promise you tomorrow
The sun is gonna shine
All you can do is take it one day at a time

[Chorus]
