

# VINCE GILL, In These Last Few Days

(Vince Gill)

In these last few days  
You've been on my mind  
We should get together  
And talk about the old times  
And put the past behind us  
Before life slips away  
I've been thinkin' about you  
In these last few days

In these last few days  
I have felt my age  
I wish that I was younger  
But time has turned the page  
I sure miss the water  
And the rhythm of the waves  
I've been feelin' fragile  
In these last few days

I have been a faster  
A husband and a son  
Lookin' back is bittersweet  
Now that my face has run  
I've tried to be a witness  
From the cradle to the grave  
Time has felt so precious  
In these last few days

In these last few days  
I have seen the light  
I'll be waiting for you  
On the other side  
My old friend, I love you  
Is really all that's left to say  
Lay down here beside me  
In these last few days

My old friend, I'll miss you  
But I'm trying to be brave  
Lay down here beside me  
In these last few days
