

VINCE GILL, This Memory Of You

The blues are in the air tonight
Love has gone and passed me by without a warning
I light up another cigarette
The pain hasn't hit me yet
But I know it's comin'

[Chorus:]

And your perfume lingers still upon my pillow case
And the tears just started fallin' down upon my face
I lie here in the loneliness
With this memory of you

I don't know where you are tonight
I'm staring at the candlelight
And I miss you babe
In the darkness here all by myself
I imagine you with someone else
I'm gong crazy
And with everything about you dancing in my head
Girl I sure am lonely in this empty bed
I lie here in the loneliness
With this memory of you

[Chorus]

The blues are in the air tonight
Love has gona and passed me by
