

# VINCE GILL, You And You Alone

(Vince Gill)

If we have to wait forever that's all right  
If you say let's run away we'll leave tonight  
I'll do anything you ever ask me to  
Girl the reason my heart's beating is for you  
And you alone

There's a price you pay for every choice you make  
We'll have our day no matter what it takes  
I'll be there for you whatever we go through  
Girl the reason life's worth living is for you  
And you alone

[Chorus:]

Oh you and you alone are with me from now on  
Even if I never see your face again  
The love that you have shown is unlike anything I've known  
We both know it's just a matter of when

I wish that we could just turn back the hands of time  
To find a way to have your world fit into mine  
I'll keep dreaming that some day it all comes true  
Girl the reason my heart's breaking is for you  
And you alone
