

Vince Neil, Fine, Fine Wine

Babys long and tall, man shes
Got it all, shes alright
Alright
Hips have got a sway shakin
It my way, its alright
Alright

Full-bodied curves, with her
Legs she serves, oh yeah
Oh yeah
Lips that sayit all, turn and
Hear her call, oh yeah
Oh yeah

Aint no cheap and nasty
Liquor dripping down her vine
Taste of golden honey, sweet
As candy money
Bottle it and make her mine

Give me a taste of your fine
Fine wine
Ruby sticky, sweet as summertime
Let me taste you fine
Fine wine
One more drink gets me
Feeling alright

Were here for the show, let

Your passion flow, its o.k.
O.k.
We aint gonna stop, so throw
Away the top, its
O.k.
O.k.

Aint no cheap and nasty
Liquor dripping down her vine
Taste of golden honey, sweet
As candy money
Bottle it and make her mine

Give me a taste of your fine
Fine wine
Ruby sticky, sweet as summertime
Let me taste you fine
Fine wine
One more drink gets me
Feeling alright

Give me a taste of your fine
Fine wine
Ruby sticky, sweet as summertime
Let me taste you fine
Fine wine
One more drink gets me
Feeling alright
