

# Vince Neil, Fine, Fine Wine

Babys long and tall, man shes  
Got it all, shes alright  
Alright  
Hips have got a sway shakin  
It my way, its alright  
Alright

Full-bodied curves, with her  
Legs she serves, oh yeah  
Oh yeah  
Lips that sayit all, turn and  
Hear her call, oh yeah  
Oh yeah

Aint no cheap and nasty  
Liquor dripping down her vine  
Taste of golden honey, sweet  
As candy money  
Bottle it and make her mine

Give me a taste of your fine  
Fine wine  
Ruby sticky, sweet as summertime  
Let me taste you fine  
Fine wine  
One more drink gets me  
Feeling alright

Were here for the show, let

Your passion flow, its o.k.  
O.k.  
We aint gonna stop, so throw  
Away the top, its  
O.k.  
O.k.
