

Vince Neil, Sister Of Pain

Theres a little old place
Down south of le grange
Where the whiskey flows and
The nights go on for days
My home on the range
Theres a sultry queen set her
Sights on me
Was the best damn thing that i
Ever seen oh ya
Shes evangeline

That preachers daughter,
She took off her leather dress
She pulled me into sin and now
I must confess

Shes a sister, sister of pain
Shes a knock down, drag it
Out, lick it up to do it again

Such a sweet young thing took
A bite out of me
She spread her cards out for
All the world to see oh ya
I went willingly
She walked me back darkened room
Said this ones on me boy
I want to see you howl at the
Moon and im talkin soon

That night I saw the light id
Never seen before

When I thought my time is up
She said how bout a, a little more

For the sister, sister of pain
Shes a knock down, drag it
Out, lick it up do it again
A sister, a sister of pain
Drop down, spread em out,
Open up its only a game

Suck your soul, make a blind
Man see
With a touch of her hand,
Brings a devil out of me
She held up a sign said
Have no fear
We got liquor up front, and
Poker in the rear

For the sister, sister of pain
Shes a knock down, drag it
Out, lick it up do it again
A sister, a sister of pain
Drop down, spread em out,
Open up its only a game
Yeah

Sister, sister of pain
Shes a knockdown, drag it
Out, lick it up do it again

Yeah
