

# Vincent Gene, Wear My Ring

(Won't you) Wear my ring on your finger  
Wear my love within your heart  
And say you'll always be  
As much in love with me as at the start.  
(Won't you) Wear my ring on your finger  
And make this solemn vow  
That you'll will always be  
As much in love with me as you are now.  
And when we're old and we're grey  
We'll still have this day  
To Remember, when December comes in May  
(Won't you) Wear my ring on your finger  
Provin' that love is ours to share  
You're mine till evermore  
Just like this ring of gold you now wear.  
And when we're old and we're grey  
We'll still have this day  
To Remember, when December comes in May  
(Won't you) Wear my ring on your finger  
Provin' that love is ours to share  
You're mine till evermore  
Just like this ring of gold you now wear.
