

Vincent Gene, Wear My Ring

(Won't you) Wear my ring on your finger
Wear my love within your heart
And say you'll always be
As much in love with me as at the start.
(Won't you) Wear my ring on your finger
And make this solemn vow
That you'll will always be
As much in love with me as you are now.
And when we're old and we're grey
We'll still have this day
To Remember, when December comes in May
(Won't you) Wear my ring on your finger
Provin' that love is ours to share
You're mine till evermore
Just like this ring of gold you now wear.
And when we're old and we're grey
We'll still have this day
To Remember, when December comes in May
(Won't you) Wear my ring on your finger
Provin' that love is ours to share
You're mine till evermore
Just like this ring of gold you now wear.
