## Vincent Gene, Wear My Ring

(Won't you) Wear my ring on your finger Wear my love within your heart And say you'll always be As much in love with me as at the start. (Won't you) Wear my ring on your finger And make this solemn vow That you'll will always be As much in love with me as you are now. And when we're old and we're grey We'll still have this day To Remember, when December comes in May (Won't you) Wear my ring on your finger Provin' that love is ours to share You're mine till evermore Just like this ring of gold you now wear. And when we're old and we're grey We'll still have this day To Remember, when December comes in May (Won't you) Wear my ring on your finger Provin' that love is ours to share You're mine till evermore Just like this ring of gold you now wear.
