

Vincent Tony, Polly's Eyes

When the rain becomes your welcome
When the stars refuse to shine
When the lonely nights are calling
I won't lose myself in why
Do you remember Polly?
Can you believe those eyes have gone away?
She gave all she had to living
She loved even when she knew her days would be few
She knew hope because of You
When the rain becomes your welcome
When the stars refuse to shine
When the lonely nights are calling
I won't lose myself in why
I won't lose myself in why
Dreaming of you in Heaven
Can you look down and see these prayers are for you?
I won't forget
I can't forget the way you showed me how to give
How to trust
Without ever giving up
When the rain becomes your welcome
When the stars refuse to shine
When the lonely nights are calling
I won't lose myself in why
When the rain becomes your welcome
When the stars refuse to shine
When the lonely nights are calling
I won't lose myself in why
I won't lose myself in why
I guess my God had bigger plans that day
and though I don't understand it
Someday I'll know the answer
When the rain becomes your welcome
When the stars refuse to shine
When the lonely nights are calling
I won't lose myself in why
When the rain becomes your welcome
When the stars refuse to shine
When the lonely nights are calling
I won't lose myself in why
I won't lose myself in why
I'll remember Polly's eyes
