

# Vinnie Vincent Invasion, That Time Of Year

(Vinnie Vincent)

I wanna stay girl it hurts I know  
But the time has come to find my dreams of glory  
It hasn't been easy babe--hard times we know  
But I gotta know the ending of my story  
Oh it's my challenge, it's my right  
And my will's too strong to fight  
I don't wanna say goodbye 'cause I love you

CHORUS

But it's that time--that time of year  
To follow that midnite sun  
That time of year  
My ramblin' heart's gotta run  
Wherever it takes me I'll ride that wind  
To my rainbows end but I'll be back again  
I wanna hear you say it girl: that you understand  
If I had my wish you'd be by my side
