

Vinx, Spandex Ballet

Aren't we done yet?
No, no, wait just a minute, there's somebody else.
Hey, what's happenin man,
I'm John Hayes, man,
I want to audition for Vinx's band.
Play something will you, play anything.
(heavy metal noise)
How was it man,
Was it cool man?
Was it okay?
Did you get what you needed man?
Did, well did I get the job?
