

# Violent Delight, This Time

Through my eyes  
Distance lost in thought  
Never realised  
Something never saw  
Now you stand there  
Looking through my soul  
Then remember all the pains of old

As we stand here as one  
Now this feeling belongs  
Now as we stand here as one  
This time we belong

I feel like this will never end  
We knew it  
Now we don't pretend  
I'll always stay around with you  
There's so much left for us to do

You stand there so still  
There's nothing to fear  
Why pretend anymore  
I'll never lose the thought

Nothing you say  
Keeps me here  
Everyday what you fear

Everything is lost  
There is no cost  
Why pretend  
Anymore

I'll never lose the thought  
This time is not like before
