America is  
America is  
America is  
America is  
America is the home of the hypocrite  
America is the home of the hypocrite  
America is the home of the hypocrite  
American dream so f-f-full of it  
Look at the indians  
look at the blacks  
look at the figures  
look at the facts  
check out the facts  
the facts not the lies  
when you find out  
big surprise  
America is the home of the hypocrite  
America is the home of the hypocrite  
America is the home of the hypocrite  
American dream so f-f-full of it  
check out the indians  
check out the blacks  
check out the figures  
check out the facts  
check out some facts  
check out the facts not the lies  
when you find out  
it's a big surprise right between the eyes  
America is the home of the hypocrite  
America is the home of the hypocrite  
America is the home of the hypocrite  
American dream so f-f-full of it  
american dream is only a dream  
no desperation limit  
new desperation level  
even though my nose don't work  
I smell trouble I smell trouble  
no desperation limit  
new desperation level  
murder, mureder in the government  
say you're sorry  
say you're sorry  
no desperation limit  
new desperation level  
turn the key  
turn the lock  
nationalism  
you can suck my..  
no desperation limit  
new desperation level  
watch the worl's progressin'  
everywhere  
aggression, aggression
