

Violent Femmes, Cold Canyon

Got my faith baby
In the Lord
Got my faith baby
In the Lord Lord Lord
And I know
He'll make everything alright
No matter where a child roam
That child's gonna have a home
If he's got his faith alright
I don't believe in no car
I don't believe in General Motors
I don't believe in the President
Or the League of Women Voters
I don't believe in these things
All these things might fail
I don't believe it's gonna snow
It might sleet rain or hail
But I believe in the Father
I believe in the Son
I believe there's a Spirit
For everyone
I believe in the Father
I believe in the Son
I believe there's a Spirit
For everyone
That's not all
That's not all
I'm gonna tell y'all
Let's do the faith call
I said F----F
I said A----A
I said I----I
I said T----T
I said H----H
What's that spell---Faith
What's that spell---Faith
Oh Faith
