I hope  
you got  
fat  
cause if you got  
really fat  
you just might want to see me come back  
I don't care  
how heavy or how skinny  
just gimme  
something to love  
a little extra weight would never look no nicer on nobody else but you  
and I could always use a little bit more  
to hold on to  
and if I get a fright in the middle  
of the night I'll cling to you
