

# Violent Femmes, Every Breath You Take

Every breath you take  
Every move you make  
Every bond you break  
Every step you take  
I'll be watching you

Every single day  
Every word you say  
Every game you play  
Every night you stay  
I'll be watching you

Oh, can't you see  
You belong to me  
My poor heart aches  
With every step you take

Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watching you

Every single day  
Every word you say  
Every game you play  
Every night you stay  
I'll be watching you

I'll be watching you  
I'll be watching you  
I'll be watching you

And since you've been gone, gone without a trace  
When I dream at night I can only see, I only see your face  
And so I look around, oh I can't replace  
I feel so cold, cold, cold and I long your embrace

Oh, can't you see  
You belong to me  
My poor heart aches  
Every step you take

Every breath you take  
Every move you make  
Every bond you break  
Every step you take  
I'll be watching you

I'll be watching you  
I'll be watching you  
I'll be watching you  
I'll be watching you
