

# Violent Femmes, Fat

I hope you got fat  
I hope you got really fat  
cause if you got really really fat  
you just might want to see me come back  
I hope you got fat  
I don't care I don't care  
ah how heavy how skinny  
I don't care I don't care  
ah how heavy how skinny  
just gimme gimme some some ah  
some some something to love  
A little extra weight could  
never look no nicer on nobody else but you  
and I could use a little bit more to hold on to  
and if I get a fright in the middle of the night  
I'll cling to you  
I hope you got fat  
I hope you got truly fat  
cause if you got really  
FAT FAT FAT  
you just might want to see me come back  
I hope you got fat
