

Violent Femmes, Kiss Off

i need someone
a person to talk to
someone who'd care to love
could it be you
could it be yo-ou
the situation gets rough,
and i start to panick
its not enough
its just a habit
and, kid, you're sick
darling this is it
well you can all just kiss off into to the air
behind my back
i can see that stare
they'll hurt me bad but i won't mind
they'll hurt me bad they do it all the time
yea yea
yea they do it all the time
yea yea
they do it all the time
yea yea
they do it all the time
do it all the time
they do it all the time
do it all the time
they do it all the time
do it all the time
I hope you know that this will go down on your permenent record
oh yea
well don't get so distressed
did i happen to meantion that i'm impressed
i take one one one cause you left me and
two two two for my family and
three three three for my heartache and
four four four for my headaches and
five five five for my lonely and
six six six for my sorrow and
seven seven n-no tomorrow and
eight eight i forget what eight was for and
nine nine nine for a lost god
ten ten ten ten for everything everything everything
well you can all just kiss off into to the air
behind my back
i can see that stare
they'll hurt me bad but i won't mind
they'll hurt me bad they do it all the time
yea yea
yea they do it all the time
yea yea
yea they do it all the time
do it all the time
do it all the time
do it all the time
do it all the time
do it all the time
time time time time
