

# Violent J, Multiple Myselfs

Violent J:

As I lay the silence is deafening  
The quiet is volume 10, it's happening again  
How do I stop my brain from shaking me up?

Larry:

Oh, why you waking me up?  
I'm Larry, I'm J's fear,  
I'm not sure if I'm supposed to be here  
I hope I don't get in trouble for rapping  
And I hope that girl don't get pregnant we're tapping

Violent J:

Would you mind getting out of my head when I rap?

Larry:

But what if our records are whack?  
And what if I flop, man I don't know shit

Violent J:

Larry you worry about too much bullshit  
Thanks for your rap though

Larry:

Was it ok?

Violent J:

Yeah, but when I rhyme they wanna hear Violent J  
'Cause I deliver the swift axe chops

Plush:

Ummm, can we stop?  
Hello, I'm J's soft side  
He never shows affection and makes me hide  
My name is Plush and I'm barely used at all

Violent J:

FUUCCKK!!, what-what's happening ya'll?

(Chorus)

I have no control of me  
Mood or personality  
Chemical Imbalances  
They control me randomly

Captivity:

What up playa? The name's Captivity  
I'm J's chick boning ability  
Being that we ugly it ain't a peice of cake,  
but we get our fair shake

Violent J:

Mmmm, somebody help me I'm falling apart  
Personalities are pouring out of my heart  
Just pay me no mind, I forgot my pill today

Larry:

Are you sure we're ok?

Captivity:

Look here motherfucker, get it right  
Or, we gonna be a virgin the rest of our life?

Violent J:  
Why you telling them shit? Go fuck yourself

Plush:  
Hey buddy, he's only trying to help  
I should be mad, you never go my way

Violent J:  
That's cause your a fuckin pussy ass, and I'm Violent J  
But I'm not going crazy, I'm just being funny  
Yeah right

Help Somebody!!!

(Chorus)  
I have no control of me  
Mood or personality  
Chemical Imbalances  
They control me randomly

Violent J:  
Juggalos I'm sorry, I'm out of control  
I got personality issues fo sho  
All I ever wanted you to hear was Violent J

Fred:  
Well excuse me then, I'll get out of your way

Violent J:  
Wait I'm sorry Fred, Tell them about you

Fred:  
Well I handle the smarts for our Mr. Bruce  
I once read a book, I have a ninth grade degree  
And who we kidding you don't even use me

Violent J:  
Relax already, don't get pissed  
You know who's probably here in the mist  
All we need is Butch showing up here

Butch:  
Too late pussy, throw me a beer  
The name is Butch I'm J's anger, and well  
Get me pissed we going to jail

Violent J:  
Take it easy man, here have some NyQuil  
Leave the beat downs to Billy Bill

(Chorus x2)  
I have no control of me  
Mood or personality  
Chemical Imbalances  
They control me randomly

I have no control of me  
Mood or personality  
Chemical Imbalances  
They control me randomly

Stop Them!!!
