

# Violet Indiana, Angel

Come home to me  
So i can bathe  
You and me  
Home to me

I'm watching down  
Through cloudy eyes  
Up above  
The misty sky  
Looking through  
The sadness  
(?a?) left in your eyes

Come home to me  
So i can bathe  
You and me  
Home to me

Breathing love  
Down into you  
I see your lie  
Everything too  
Drown in the clouds  
Reaching all to you  
Oh i know i watch  
He miss me too

Come home to me  
So i can bathe  
You and me  
Home  
Come home to me  
So i can bathe  
You and me  
Home  
Oh
