

# Violet Indiana, Hiding

If you need a sensual space  
Inside your world  
That you feel safe  
I'll meet you there  
Uh...i'm hiding  
It's safe in here  
Uh...i'm hiding  
Uh...i'm hiding  
I feel safe in here  
Why i'm here?  
It's dark it's cold  
I miss your life  
In my silent world  
Uh...i'm hiding (why am i hiding?)  
It's safe in here (i feel so scared of you)  
Uh...i'm hiding (why am i running?)  
Uh...i'm hiding (you scare me)  
Show me a place  
To be in me  
Close inside  
I'm breathing new  
Uh...i'm hiding  
I feel safe in here  
Uh...i'm hiding (why am i hiding?)  
I feel safe in here (why do i run from you?)  
Uh...i'm hiding (why do you scare me?)  
Uh...i'm hiding (you know i care for you)  
Uh...i'm hiding (oh i keep hiding)  
Uh...i'm hiding (i keep on running away)  
Uh...i'm hiding (i keep on running)  
Uh...i'm hiding  
It feels warm  
It feels strong  
Safe from here  
I belong  
Deep inside  
Where i can't hide  
Oh you feel....  
Uh la la la.....
