Violet Oliferuk, Get Away

why does if feel i'm living through you tell me why I am addisced to you cause I don't even know

chasing this cause we think we want it cut we can't breathe cause the air is toxic so tell me where to go

it's a thin thin line to admit or deny yeah, yeah

ours is different kind of love it used to be saving us no it's just braking us

how's this a different kind of love it used to be saving us now it's just breaking us it's not about giving up we knowing that safe enough

get away, get away, get away get away, get away get away, get away, get away

do I stay
cause you say you need me
I craved it more when it isn't easy
how am I supposed to grow
it won't fix cause I say I love you
I need to sow but I don't know how to
how am I supposed to grow

get away, get away, get away get away, get away, get away get away, get away, get away

get away, get away, get away get away, get away, get away get away, get away, get away
