

# Virgin, In love

I can feel it in the air  
I can feel it in my brain  
I can feel that love is coming to me every day... (Way)  
I admire every day  
I'm in love what can I say  
I can feel that love is coming to me every day... (Way)  
I am in love...  
You are in love...  
Love is pretty like sunshine....  
You should try  
Love is pretty like sunshine....  
Give it try  
Love is pretty like sunshine....  
You should try  
Love is pretty like sunshine....  
Don't be shy  
I am crazy on my way  
I am crazy I can say  
I can feel that love is coming to me every day... (Way)  
I can feel it in the air  
I can feel it in my brain  
I can feel that love is coming to me every day... (Way)
