

# Virgin Snatch, Omniscientia

I

Hey Mr "all knowing"!  
You did not know my name  
I let myself down again

Down the drain

Down the drain

Hey Mr "all knowing"!

your soul must be insane

False sense of pride, satisfies

All your lies

All your lies

Now Die!

Lies another day

You take all the blame

Don't trust smile!

Don't compromise!

Climb up my broken spine

No More Time To Fool Around!

Who Are You to know everything!

Flowing Corruption,

Endless Pain

Solidarity - Lost Remains

II

Hey Mr "all knowing";

Put the bullet in your brain

You broke the rules before

Someone else trust You

Don't trust smile!

Don't compromise!

Climb up my broken spine

No More Time For Stupid Games!

No More Words Left Into Say!
