

# Virgin Steele, Crown Of Glory (Unscarred) (In Fury)

[Lyrics & Music: David DeFeis]

Bury Me Beside The Endless Sea,  
Raise My Ashes To The Wind  
Remember Things I Conquered In My Time,  
Quench My Funeral Pyre With Wine

Open Your Eyes And See Me,  
Running Faster, Running Far  
Open Your Heart And Feel Me,  
Catch The Light Beyond The Stars

Flesh And Blood Affirm The Freedoms Gain,  
Are We Born To Live Again?

I'll Never Die While The Light Races Over My Head,  
I Can See Where We Are  
I Will Defy No Respite From The Challenge Of War,  
Crown Of Glory Unscarred

Gaze At The Sun Unblinking,  
Go Where Only Eagles Dare  
Strike Now While Life Is In You,  
Before The Darkness Eats Your Soul

Touch Me Now And Feel Your Strength Return,  
Speak The Word Within The Word

I'll Never Die While The Light Races Over My Head,  
I Can See Where We Are  
Why Must You Cry For The Life You Are Leaving Behind,  
Crown Of Glory Unscarred

What Was Forbidden Now Is Open,  
The Golden Apples Of The Sun  
All That's Alive Consider Holy, Holy, Holy  
Body And Soul Are Reconciled

And Heaven And Hell  
Remember Their Love,  
And Every Road Leads Me To You  
To Truth

I'm Watching You Now, I'm Watching The Signs,  
I Watch As The Old False Reason Dies,  
I See With New Sight The Infinite Night,  
Drunk On The Wine Of Paradise  
I Challenge The Nine In Heaven Divine,  
The Crown And The Glory All Are Mine  
No Longer Denied With Eve As My Bride  
The Doors To The Kingdom Open Wide

And Every End Is A Beginning,  
Victory Waits Within The Fire.

I'll Never Die While The Light Races Over My Head,  
I Can See Where We Are  
I Will Defy No Respite From The Phantoms Of War  
Crown Of Glory Unscarred

Bury Me Beside The Endless Sea,  
Raise My Ashes To The Wind...
