

Virgin Steele, Dead End Kids

[By D. DeFeis and J. Starr]

[1st verse:]

I'm not that kind of guy that likes to start trouble no
But if you push me too far you never know what I might do
I got a black cat bone and a magic hand, yes I do
Anf if you don't watch out I'm going to put a spell on you

[Chorus:]

Cause I'm a Dead, Dead End Kid
I got nothing to lose
I'm a Dead, Dead End Kid
I like breaking the rules

[2nd verse:]

Meet me at Midnight if you like to live dangerously
I've got some friends down here I really think you should meet
Oooh, if you're looking for action I'm going to take you there
Cause there's nothing in this world, nothing I wouldn't dare

[Chorus:]

Cause I'm a Dead, Dead End Kid
I got nothing to lose
I'm a Dead, Dead End Kid
I like breaking the rules

[Bridge:]

I got a one way ticket on a sinking ship
And I'm going straight to hell
Dead End Kid yeah!
