

Virgin Steele, Don't Close Your Eyes

[Music and lyrics: De Feis]

Don't go, don't leave me here alone
With nothing but a memory to call my own
We shared each day, and the days to years
But now the love we share is blinded by tears

Look in my eyes and speak to me
Can you really forget me?
Ooh in the light you'll be alright
But every evening I'll be haunting you

[Chorus:]
Don't close your eyes tonight
?Cos you know I'll be there in your dreams

Oh babe don't go, don't go
Don't leave me here alone
Forget me not whatever you do
And please remember that
I still love you

I made it clear I need you here
Every night I cry for you
And do you know I can't let go?
Open up your arms I'm coming home

[Chorus]

I made it clear I need you here
Every night I cry for you
And do you know I can't let go?
Open up your arms I'm coming home

[Chorus]
