

# Virgin Steele, Hell Or High Water

I don't take no for answer  
I'm not that kind of guy  
There's no point in running away  
I'm gonna get you anyhow  
I can't let you leave me  
Cos I've got too much pride  
You better believe me  
I'll never let you go

Hell highwater  
Can't keep me away  
I said hell or highwater  
I'm gonna make you anyhow

You've been running for too long  
Don't you think that it's time that you stop  
Chasing dreams that won't come true  
Is that what you're all about

I can't let you leave me  
Cos I've got too much pride  
You better believe me  
I'll never let you go

Cause Hell or highwater  
Can't keep me away  
I said hell or highwater  
I'm gonna make you anyhow
