

Virgin Steele, Last Supper

[Music: De Feis/Pursino, lyrics: De Feis]

Father forgive them for they know not what they are doing

Break this bread and drink the wine
just remember with whom you dine
do this in memory of me, when I'm not among you all
Peter you will deny me, Judas you will betray
last supper, it's your last supper

Open wide the Gates to receive me
high above the clouds there is peace
after 3 days I will rise again to teach you all
Mary you'll see me first, you others will fall amazed
last supper, it's your last supper

When the sun no longer turns the skies are black
darkness like a breathing hand upon your back
they will kill the shepherd to divide the sheep
but remember this forever I reign, forever I reign

So damn the dark the light
the tears you cry tonight
damn your love your lies
promises you broke woe
this is your last mistake, it's written in the sand
the law reveals itself, shining like the sun
forever I reign, forever I reign

Supper!!!
break this bread and drink the wine
just remember with whom you dine
will you remember me when I'm not among you now
Peter you still deny me, Judas you will betray
last supper, it's your last supper
it is finished.
