

# Virgin Steele, Seventeen

[Music: De Feis/Pursino, lyrics: De Feis]

Little Janey's got a crazy walk  
Rock and roller, leather vixen talk  
She moves so fine  
Belladonna with an angel heart  
Topless dancer, Paris pearls  
She's hot!  
Underneath the lights

I wanna feel your body burnin' all night long  
I want to taste the magic hidden in your charms

[Chorus:]

Sweet seventeen- age of consent  
Seventeen- age of consent  
She's seventeen and tight, ah yeah (look out)

Makin' love under the summer night  
Bodies sweating into liquid life  
Little girl sighs  
Slidin' sweeter down her velvet thighs  
Leopard movement, animal surprise  
Sweet, sweet cries

Slide on, champagne siren, ah it's only sweeter babe..
