

Virgin, Superstar

I like to say i am going my way
I like to say it every day
I like to say i've chosen my way
I like to say it every day
Bye, bye mum and dad
I am gonna be a super star
I am gonna be a super star
Please don't be sad
Bye, bye, bye...My boring life
Bye, bye, bye...I am saying goodbye
Bye, bye, bye...I am dancing this night
Bye, bye, bye...I am leaving tonight!!!
I like to say i am pretty today
I like to say it's a lovely day
I like to say i am happy today
I like to say it every day
Bye, bye mum and dad
I am gonna be a super star
I am gonna be a super star
Please don't be sad
Bye, bye, bye...My boring life...
