

# Virgo, Blowing Away

Out of control I let you go  
And now I just regret - ohh my babe  
I can't survive to realize  
How long I'll hide the fact  
Ohh, a time machine is bringing back to me  
The days of wonder, bliss and joy  
I feel so good, I can't avoid...  
Ohh, I'm liking that, I'm diving deep inside  
It's diving me crazy, crazy, crazy, crazy, ohh... blowing away

Let me forever show you better who I am  
I'll be your star, I'll be your guide, I'll be your man  
Okk, babe... can't you feel me now?  
I'll let you guess that I'll be under your control  
And when you realize, I'll never let you go  
Ohh darling... you belong to me!

I got along, I was so strong  
Forever you'll be gone?  
Ohh, my love  
I write a tune, I watch the moon  
And deep inside the light, I see your face  
Ohh, a beam machine, a second it would take  
To walk the sky alone with you  
And all my dreams are coming true  
We don't feel the ground, we're gliding through the night  
It's driving me crazy, crazy, crazy, crazy. Ohh... blowing away!

Let me forever show you better who I am  
I'll be your star, I'll be your guide, I'll be your man  
Okk, babe... can't you feel me now?  
I'll let you guess that I'll be under your control  
And when you realize, I'll never let you go  
Ohh darling... you belong to me!  
Ohh what a dream!

I'll let you guess that I'll be under your control  
And when you realize, I'll never let you go  
Ohh darling... you belong to me!  
Would you come and stay? Joining my dream...  
Driving me crazy, crazy, crazy, crazy. Ohh... blowing away!
