

Virtue, Angels Watching Over Me

vs1: They encamp all around me/
So i have no fear/
They tell me He loves me/
Whisper in my ear/
It means the world to me
To have them near/
These are my angels, over me

vs2: They come from the throne above/
And before His face/
They carry the light of Love/
Cover me with grace/
They wanna to see me/
Complete this race/
These are my angels, over me

Chorus: ☐ got angels watching over me (watching my way both night and day)
☐☐ got angels watching over me (fanning away the hurt, the pain)
☐☐ got angels watching over me (they'll never fly away)
☐☐Angels over me

Vs3: They silently hold me/
With their mighty wings/
When I cry the console me/
With the songs they sing/
When I sleep they watch over me/
Fan away evil things/
These are my angels, over me

Vs4: Said we don't even notice/
The protection they give/
Fell as asleep on the road, and yet/
I continued to live/
Sometimes I even wished that they
Wouldn't answer my call/
But unwavering angels/
They just won't let me fall/

(Chorus)
