dhoom again and run away with me
on a rollercoaster ride

so steal all that you can
the magic you begun
let' s shout, break out
comes on once again let's hear it
dhoom machaale.....
dhoom again and feel the beat of
the rythm
rythem of the night
dhoom again and hear the voices
calling
creatures of the night
dhoom again and see the shadows
dancing
in the pale moonlight
dhoom again and feel your
heartbeat pumping
now the time is right
so go walk out the door
get down....get on the floor
let' s shout break out
come on once again let' s hear it
dhoom machale
and when love comes your way
you' ll know its here to stay
you' ll steal the chance ' cose you' re
the thief of hearts yeah
