

Vision, Don't Sound The Alarm

I don't want you to know too much about me oh no
I'm really getting freaked out in my long underwear
I've got a lot to do today just try not to get in my way

Chorus:

Too much to do is what I've got
I now that I see you your so hot
I like you, you don't like me
And I've been spending my time just trying to see you

I'm hurt and I will love you forever
I'm hurt and I will be with you forever
Sometimes you make me angry other times you make me glad

Chorus:
