

# Vision Of Disorder, For The Bleeders

For the Bleeders

Bleed.....for what I've done.

And I'll never forgive myself for what Ive done.

And she'll know that I'll bleed.....bleed

Know now the choice.

And crawl upon the ground.

A man is now vagrant.

Girl, why did you bleed? Bleed.....

Don't be shallow.....Repent, Repent

Don't be shallow.....Repent, Repent

Don't be shallow.....Repent, Repent

Don't be shallow.....Repent, Repent
