

# Vision (UK), Love Dance

Waiting forever  
I love to go wild, in the dark  
We can't stop now  
Don't make me, leave you lover,  
or we'll part

We move in perfect time  
like actors in a mime  
your love drives me insane  
Do it for me again

What are you going to do,  
I like to give my love to you,  
What can people say,  
We like to do it anyway

What are you going to do,  
I like to give my love to you,  
What can people say,  
We like to do it anyway

On the dance floor  
or at home,  
I never leave you alone,  
We are moving to the beat,  
Without you I'm not complete

What are you going to do,  
I like to give my love to you,  
What can people say,  
We like to do it anyway
