Visions Of Atlantis, Pharoah's Repentance

For all my debts I have to pay Remains for me now to explain For every tortured soul to pray A murderer till my last day Bells are ringing, day has come For me and all my greedy sons For every cruelty to alone Eternal flames - my home No release From the sins he made Repentance now For him comes too late His only wish To turn back time And never get into his crime Reign with heart instead of blood Revenge is written in their eyes To end my reign and stop my lies To spill my blood over my throne And burn down all I've ever owned Isis, Osiris, all the gods There's no excuse for my own faults No one to blame instead of me Sentence already signed No release From the sins he made Repentance now For him comes too late No release From the sins he made Repentance now For him comes too late His only wish To turn back time And never get into his crime Reign with heart instead of blood
