

Vistoso Bosses, Delirious

[Verse 1: Taylah P]

Hey over there what's your name
Are you for real
Is this a game
You start to smile
And I do the same
I look away but you remain
Your eyes starin back at me
My heart starts to skip a beat
I pray that you'll never know
I've fallen and you look in my eyes

[Chorus:]

You make me delirious
That's when I start to fall
Something serious
When you look in my eyes
You make me delirious
That's when I start to fall
Something serious

[Verse 2: Taylah P]

Now we're over here
And you're next to me
You look at me
I find it hard to speak
I start to laugh and you do the same
I look at you
You smile again
Your hand holdin on to mine
The thoughts runnin through my mind
I try not to let it show
I've fallen and you look in my eyes

[Chorus:]

You make me delirious
That's when I start to fall
Something serious
When you look in my eyes
You make me delirious
That's when I start to fall
Something serious

[Hook: x2]

Your eyes starin back at me
My heart starts to skip a beat
I pray that you'll never know
I've fallen and you look in my eyes

[Verse 3: Kelci]

Tell me how you feel
I love it when you speak
Oh you so sweet
It was meant to be
While you're here with me
I wanna know you more
Hold you more
Kiss you till there's no more
Love the way you walk
Love it when you talk
My feelings so so deep
Every night I can't sleep
De-li-ri-ous from my head to my feet
De-li-ri-ous is what I can see
Something serious when it comes to you(yeah)

[Chorus:]

You make me delirious
That's when I start to fall
Something serious

[x3]

When you look in my eyes
You make me delirious
That's when I start to fall
Something serious
