

# Vitamin C, Your Cash

I know how to heal  
I know what to buy  
And what to conceal

I know when to talk  
I know when to touch  
No one ever died  
From wanting too much

Your cash is not enough  
But it is such a perfect thing to start, my love  
And if you're have enough  
Together we can take the world apart, my love

People like it  
Know how to survive  
There's no point in living  
If you can't feel the life

We know when to kiss  
And we know when to kill  
If we can't have it all  
Then nobody will

Your cash is not enough  
But it is such a perfect thing to start, my love  
And if you're have enough  
Together we can take money to buy, my love

I feel safe  
I feel itch  
I feel ready  
And yet I'm prepared

Your cash is not enough  
But it is such a perfect thing to start my love  
And if you're have enough  
Together we can take the world apart, my love

Your cash is not enough  
Your cash is not enough  
Your cash where we belong  
Your cash is not enough
