Viva Voce, Alive With Pleasure

I've got a beginning That's a good start I'm sure to start winning Gonna go far

Races out of her garter Even harder Walk the woods It's a sure thing So get ready

Give it some time Give it some time You'll make it with me We'll be just fine

Give it some time Give it some time You'll make it with me We'll be just fine

Give it some time Give it some time You'll make it with me We'll be just fine

Give it some time Give it some time You'll make it with me We'll be just fine
