

# Viva Voce, Faster Than A Dead Horse

Mine Mine Your all  
I fell so hard I nearly broke my spine  
Mine Mine Your All mine  
You know I love you baby I can't lie

Shy Shy your so shy  
the way it tastes makes me cry  
Shy Shy your so shy  
You know I love you baby I can't lie

Bright lights hurt my eyes  
I hate the sun so I stay inside  
Bright lights hurt my eyes  
You know I love you baby I can't Lie
