

Vivian Green, Fanatic

[Verse 1:]

When I wake up all I want is for him to take me away
To that incredible comfort zone inside that beautiful place
When I need to release tension so that I can feel brand new
Reach that height that only one in this whole world can take me to

[Pre Hook:]

All the time I want you baby,
All the time I need you honey,
All the time I gotta have you sugar,
Because I'm addicted - oh yeah.
All the time I want you baby,
All the time I need you honey,
All the time I gotta have you sugar,
It belongs to me

[Hook:]

I'm fanatically, addicted see, the way that he be loving me
It's like a drug or some bad habbit
Since its mine, I got to have it

[Repeat]

[Verse 2:]

Oh it feels like, like I've never had it right
Before this,
There was so much emotional pain, nothing positive to gain
But I'm loved, full, and completely now
Not just a physical thang
But it's something spiritual

[Pre Hook]

[Hook]

[Vamp:]

I just gotta have it, I'm a fanatic [4x]

[Hook]
